OUR VISION

To be a world-class university, achieving excellence in teaching and research, and engaged in the service of society in promoting lifelong education.

OUR MISSION

To be a premier university in the country and region for the study of medicine and other health sciences, engineering, computer technology, applied sciences, business and accountancy.

Overview

Following the success of the 1st AIMST International Dental e-conference 2021, the Faculty of Dentistry is now geared up to organize 2nd AIMST International Dental e-conference 2023. This event will feature talks by National and international plenary speakers and scientific presentations. We get inspired, we integrate and innovate in dentistry.

MANNEQUIN CHALLENGE !!

THEME: THE DENTAL TEAM IN ACTION

One group submission representing their institution/college/ university.

Kindly provide with the email ID and phone number of any one group member for all communications.

RULES FOR THE COMPETITION

- 1) Choose A Situation. The Bigger, the Better. Situations that feels particularly life-like – like someone just hit the pause button on real life.
- 2) Set Your Scene. Be creative with poses. Give your audience some context. Bonus points for choosing a pose that's seemingly impossible to hold for more than one second.
- 3) Everyone in the footage must be completely still, no blinking, no moving, and no twitching. Like that's literally the entire point of it. So don't Move a muscle.
- 4) Film It. Make Sure It's All One Shot – No Cutting Away Allowed.
- 5) Set It to the Tune. Let the music talk.
- 6) Video limit should be limited to no more than 3mins! Video format should be MP4 or MPEG! Make sure it's clear with good sound quality.

About AIMST University

AIMST University is a premier private university catering to the needs of local and international students. It offers high-quality education that is globally recognized by the relevant professional bodies and industries. The University also emphasizes international exposure through a network of numerous international partners. Student-exchange programmes help our students to develop global perspectives and skillsets. As a result AIMST's graduates enjoy 100% employability within six months of graduation in leading national and global organisations. Sprawling over 230 acres, the university boasts of modern infrastructure and state-of-art facilities for quality teaching and research. Since its inception in 2001, over 18,000 students from 33 countries have enrolled in its programmes.
